Arlington, MA 02474

MEMBERSHIP AND DUES:

A single membership is \$15.00 per year - July 1 through June 30. A membership gives you one copy of each newsletter published during the year, the right to vote at annual meetings, notices of all meetings, the opportunity to purchase some publications at reduced prices, access to our family historians and copies of other important materials and documents. USE THE ATTACHED FORM TO JOIN TODAY!

ANNUAL MEETING:

An annual meeting (our Reunion) is held each year, generally in September and in New England. This is a very casual yet informative social get-together which may include reports and updates from outside experts, genealogical researchers, displays of and talks about members' memorabilia, etc.

NEWSLETTER:

Published normally three times yearly and mailed to each member, the Newsletter reports on all the meetings, contains stories and articles about Harriman ancestors and descendants, provides a forum for queries and responses to individual searches for ancestors, reports on the current advances of the continuing research in progress of the Harriman lineage, and accepts and publishes ideas, input and articles submitted by members.

WEBSITE:

www.harriman-family.org is the website of the Association and contains notices of upcoming events, ordering information for our publications, an index and complete table of contents to all of the issues of the newsletter, and a descendency chart of current members.

Harriman Family Association

The PURPOSE of the Association (founded in 1987) is:

1. To promote interest in the genealogical and historical background of families surnamed HARRIMAN (and all derivatives) who are descendants of Leonard of Rowley, Massachusetts., and John of New Haven, Connecticut, members of Ezekiel Rogers Company, founders of Rowley, Massachusetts.
2. To research and document information pertaining to the HARRIMAN families from all authoritative sources for publication, to publish the results of our research, and to make copies available to members, historical societies, and libraries.
3. To discover, collect and preserve records, vital statistics, documents and newsworthy items which distinguish members of the past and present generations.
4. To educate the membership and the interested public through presentation of papers, addresses, records and articles of interest on the lives and times of the past and present generations.
5. To encourage and develop contact among all members of the HARRIMAN and allied families.
6. To fund outside research and to contribute funds to worthwhile projects relating to the Harriman ancestry.
